MARCH 14, 2020

WELCOME

Welcome to our inaugural Live on Five! Tonight's fundraiser for Buffalo Arts Studio would not be possible without the continued support of our corporate sponsors and in-kind donors, along with the Live on Five committees, Buffalo Arts Studio Board of Directors, Tri-Main Center staff and tenants, and all the participating artists, musicians, performers, volunteers, and especially our donating artists. And of course, THANK YOU for your continued support of the arts. It does take a community, and we are so happy you are part of ours.

Now, let's take up the 5th floor!

5x5 ART SALE

Welcome to our first Live on Five 5" x 5" art sale. We are thrilled to offer over 600 small works by nearly 200 regional artists. The artwork on display represents the breadth and depth of our Buffalo Arts Studio community. Along with many of WNY's best known artists, partner organizations like Aspire of WNY, Inc., and the Foundry donated several fine works. Teachers and students from area schools, as well as those from our own Jump Start program, also made 5" x 5" pieces. As you move through the sale you will find there is truly something for everyone! Our team has worked hard to develop a system that is organized, efficient, and accessible. Please keep in mind people assisting in the sale are volunteers who are all doing their best to keep the sale fair and fun!

1. Door to the event will open at 7:00. Once tickets are processed, guests can proceed to the fifth floor and line up outside of Suite 500.
2. All 600+ artworks are numbered and labeled with the artist's full name. The artwork is hung on the wall alphabetically by the artist's last name.
3. Guests will be given a numbered Purchaser Card and FOUR corresponding numbered stickers. Guests will write their name and email on the numbered Purchaser Card prior to entering the sale area.
4. Doors to Suite 500 will open at 7:00 pm and approximately 10 guests will be allowed into the sale area at a time.
5. Once guests have made a selection, they will place their numbered sticker on the artists name label to indicate which artworks they have selected for purchase. Once a purchaser sticker is placed on the artists name label that artwork is considered "sold" and no longer available. **GUESTS ARE NOT TO TOUCH ORIGINAL ARTWORK.**
6. When guests have completed their one to four selections, they are to give an Art Handler their numbered Purchaser Card. The Art Handler will confirm the selections, record the artwork number and artist name of each artwork selected on the Purchaser Card, remove the selected artworks, and deliver the selected artworks, submission form, and Purchaser Card to the Cashier together with the purchaser. (At this point, new purchasers can be allowed into the sale area.)

X

7. The Cashier will review the selected artwork, and process the sale through Square Reader. Cash, checks and credit cards will be accepted. Makes checks payable to Buffalo Arts Studio.
8. Cashier will place artwork into clear plastic bags, give it to the purchaser and ask the purchaser to pose for photo op!
9. Purchasers may return after 9:00 pm (or earlier if the first wave of art buyers moves quickly) and purchase as many works as they choose at this point but they MUST still complete a new Purchaser Card, apply sold stickers, and let the Art Handler record all sales as directed above.
